## PROJECTS

### Astrophotography-Users Review website | 10-18 November 2022

[Live Website Demo](#) | [Github Client Repo](#) | [Github Server Repo](#)

- **Features:**

- Implement Firebase Authentication for user signUp, signIn and signOut.
- A user can give him/her reviews on products and he/she can see his/her all reviews. Also a user can delete and update his/her reviews. If a user adds a new review on a product, it shows first.
- A User can see all reviews for a specific product.
- A single page application and fully responsive for Mobile and Desktop screen.

- **Technologies:**

- React | Routing | JavaScript
- Firebase Authentication | JWT Authorization
- ExpressJs | MongoDB | JWT Token
- Tailwind | DaisyUI

### Alibris-Resale Products website | 23-29 November 2022

[Live Website Demo](#) | [Github Client Repo](#) | [Github Server Repo](#)

- **Features:**

- Dynamic Dashboard for users, sellers and admin.
- Users can book products. Sellers can add products and see all products. Also, a seller can advertise his/her products that will show on the homepage.
- An admin can see all users as Buyers or sellers and can delete any user.
- A single page application and fully Responsive for Mobile and Desktop.

- **Technologies:**

- React | Routing | JavaScript
- Firebase Authentication
- Express.Js | MongoDB
- Tailwind | DaisyUI

### Bright-Zone-React Routing website | 25-27 October 2022

[Live Website Demo](#) | [Github Client Repo](#) | [Github Server Repo](#)

- **Features:**

- Single Page Application with dynamic routing.
- Implement Firebase Authentication for user signUp, signIn and signOut.
- Full Responsive for Mobile and Desktop.

- **Technologies:**

- React | Routing | JavaScript
- Firebase Authentication
- Express.Js
- Bootstrap5 | CSS3

## SKILLS

- **Comfortable:**

- JavaScript | React | HTML5 | CSS3 | Firebase

- **Familiar:**

- ExpressJs | NodeJs | MongoDB | SASS

- **Tools:**

- Git | Figma

## LANGUAGE

Bangle - (Fluent)

English - (Moderate)

## STRENGTH

- Consistent Learner and Self Enthusiastic
- Addicted to write Code and Try to solve problem
